

DVV Query:

"Please provide the scanned images of

1. policy document highlighting the section in the handbook/calendar mentioning the policy, on the green campus, attested by Principal.
2. policy document on circulars for the implementation of the initiatives and any other supporting documents, attested by Principal.
3. Please provide screenshot of web pages of the college website mentioning the green policy.
4. Please provide geo tagged photographs with captions & dates. "

7.1.5 Institute Reply

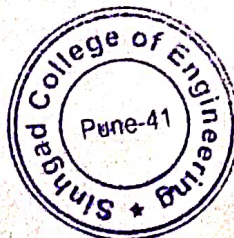

The Institute has Green Campus Policy in place. There is a separate designated team who looks after the implementation of the same.

Sr. No.	Description of the Activity	Page Number
1	Designated team for Environmental Friendly Campus	01

The undersigned is pleased to appoint following faculty members for environmental friendly campus initiative, helping to make the campus clean, water efficient and green. They are further requested to work in coordination with Estate Office for observing cleanliness in Campus, working of WTP, water saving majors etc. Further, they shall carry out Green Campus Initiative and awareness amongst students and faculty members by celebrating various commemorative days related to Environment such as World Water Day, World Environment Day, Earth Day, Sant Gadage Baba Jayanti. Awareness can be created by organizing various events as well as by conducting activities such as poster preparation, participation in events organized by other organizations including SCoE NSS Prayas Unit as well as outside organisations working in this area.

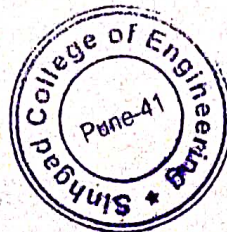

Further, faculty members are requested to organize various lectures related to Environment with focus on specific themes such as Sustainability, Green Buildings.

Sr. No.	Name of the Faculty Member	Department	Responsibility in the Committee

CIRCULAR

REFERENCE: SCoE Circular Ref No. SCoE / 2019 – 20/ dated 19/12/2019

Subject: Green Campus Policy Initiative

All are hereby informed that the Institute has formulated a committee for implementing various policies related to creating environmental awareness. Departmental heads are hereby requested to bring it to the notice of all the faculty members and shall focus on following:

1. Encourage car-pooling amongst faculty members.
2. Inculcate practices amongst students and faculty members, such as switching off tube lights and fans when the class room / faculty cabin / laboratory is not being occupied by any person. Electricity saved helps reduce CO₂ emissions. Display boards should be in place in this regard.
3. Avoid unnecessary water wastage at all places whenever possible.
4. The plastic use on the campus has been discouraged. Ensure to give all plastic which comes with packing etc. for recycling. Students are warned not to throw plastic left over anywhere, except in the dust bins.
5. Any additional actions and inputs to make the campus environmental friendly and college sustainable are welcomed.
