7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

Linguistic:

The following programs are organized to emphasize the importance of Regional Language, Marathi.

Marathi Bhasha Din: Marathi Bhasha Din is celebrated every year on 27th February by conducting various programmes, in the fond memory of eminent poet, playwright, novelist **V. V. Shirwadkar**. He was popularly known with his pen name **Kusumagraj**. He has many awards to his credit, including Padma Bhushan and Gyaanpeeth to name a few.. Students and faculty members are encouraged to participate in this event.

The Institute magazine SRUJAN published every year is also a platform available for students and faculty members to showcase their talent in the area of Language, Arts as well as Technical sections.

Institute Magazine SRUJAN -

Srujan is Annual Magazine of the Institute which is published by students under the coordination of designated faculty members. Students and faculty members can showcase their talent of writing skills in Marathi / Hindi / English. After the appeal by Srujan coordinators, the interested students / faculty members submit their articles which after due review are published in the magazine. The magazine also includes interviews of renowned personalities from various fields. The Institute has bagged 2nd prize under the category of Professional Educational Institute category under Pune urban area amongst all colleges affiliated to Savitribai Phule Pune University.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION

Date: 10/9/2019

A seminar is arranged on "Engineering Motivation" by Mr. Raghvan Koli, Author of book "The Conquerors" and Motivational Speaker. It is organized by IEEE Student Chapter.

There is discussion about Entrepreneurship and Opportunities in Industries. All T. E. Students are requested to attend.

Date: 11/9/2019 (Friday)

Time : 10 am to 12 pm.

Part III Curriculum, Syllabi, PEOs and Outcomes

Program Education Objectives (PEOs)

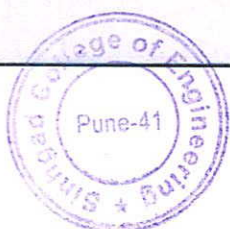

- I. To sustain holistic development of students to pursue higher studies, successful entrepreneurship or cater needs of Indian and multinational industries, by providing excellent academic environment.
- II. To develop students with solid foundation in mathematical, scientific and engineering fundamentals to solve engineering problems.
- III. To nurture students with comprehensive knowledge and skills, to design & develop electronic systems for real life problems.
- IV. To inculcate in students effective communication skills, teamwork skills, professional – ethical attitudes and cultivating ability in engineering issues through multidisciplinary domain to broader social context.

Program Outcomes

- a. Graduate gains an ability to apply knowledge of mathematics, science, and engineering.
- b. Student gets an ability to design and conduct experiments, as well as to analyze and interpret data.
- c. Graduate student gets an ability to design a system, component, or process to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, manufacturability, and sustainability.
- d. Graduate student gets an ability to function on multidisciplinary teams.
- e. Student gets an ability to identify, formulate, and solve engineering problems.
- f. Graduate student gets an understanding of professional and ethical responsibility.
- g. Graduate student gets an ability to communicate effectively.
- h. Student gets the broad education necessary to understand the impact of engineering solutions in a global, economic, environmental, and societal context.
- i. Graduate student finds recognition of the need for, and an ability to engage in life-long learning.
- j. Student acquires knowledge of contemporary issues.
- k. Graduate student finds an ability to use the techniques, skills, and modern engineering tools necessary for engineering practice.
- l. Graduate gains an ability to generate, preserve and share knowledge to work as a technical expert in Electronics & Telecommunication Engineering.

2) Company/Organization Visited: Institute of Satellite Telecom(ISTC)

Description: Basic concepts of satellite communication, earth station antennas, VSAT network, DTH network were theoretically & practically demonstrated during the visit.

Place: Kharadi, Pune

Date of visit: 25/03/2019

Class: TE

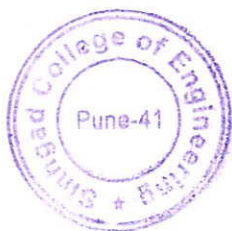

No of students: 18

List of students participated: -

VINAY LAXMAN MHASKAR	MAYUR ANIL SALVI	DUDHALMAL VRUSHALI RAMNATH
MAKHANE AKSHAY SONAJI	NIMJE UTKARSH VINAY	SHINDE PRATIDNYA DNYANOBA
JIBHAKATE ROHAN RAJENDRA	CHAVAN POONAM BABURAO	BAVDHANE RESHMA DATTATRAY

Parent Meet Report

Parents of Class: SE,TE
Date of Meet: 06/08/2018
No. of Participants: 27

1. Objectives

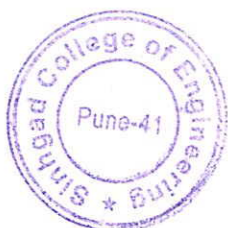

- 1 To increase interaction among parents and Guardian Teachers (TG).
- 2 To introduce parents with various co-curricular and extra-curricular activities carried out in the department.
- 3 To introduce Training and Placement activities, placement scenario of the department.
- 4 To make parents aware about academic performance.

2. Outcomes

- 1 Communication between parent and faculty will increase.
- 2 Parents will have knowledge about different activities like Techtonic, Neon etc.
- 3 Parents will come to know about different skill set needed for career.
- 4 Parents become aware about examinations and results.

3. List of Invitees

- 1 Dr.S.D.Lokhande, Principal, Sinhgad College of Engineering, Pune
- 2 Prof. J. N. Pitambare, Dean Placement Cell, Sinhgad Technical Education Society, Pune
- 3 Mrs.Savita Sharma, Training & Placement Officer, Sinhgad College of Engineering, Pune

Minutes of Parents' Meet

Parents' meet was held in the seminar hall of E&TC department of Sinhgad college of Engineering, Pune on 6th August 2018.

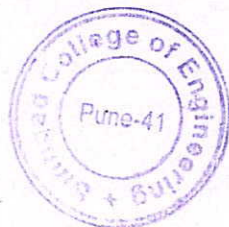

1. Program started with welcome speech given by Prof. A. R. Bankar.
Program proceeded with felicitation of chief guest Mrs. Savita Sharma, Training & Placement officer, S.C.O.E. at the hands of Dr. M.B. Mali, Head (E&TC Department).
2. H.O.D. briefed about various co-curricular and extra-curricular activities conducted in the department. He also gave the information about the Teacher Guardian scheme, Student Training Program.
3. Mrs. Savita Sharma, Training & Placement officer, S.C.O.E. discussed placement activities carried out in Sinhgad College of Engineering. She also gave the idea about the industry environment and it's requirements.
4. Interaction session was carried out in which main focus was on the attendance and placement of students. All the faculty members' alongwith H.O.D participated in this session.
5. H.O.D. explained about the Quality assessment of the college and feedback forms. He also asked about expectations of parents from college and appealed the parents for close interaction with Teacher Guardians to get the progress details of students.
6. Meet was concluded with vote of thanks by Prof. N. R. Dhumale.

Part III

Curriculum, Syllabi, PEOs and Outcomes

Program Education Objectives (PEOs)

- I. To sustain holistic development of students to pursue higher studies, successful entrepreneurship or cater needs of Indian and multinational industries, by providing excellent academic environment.
- II. To develop students with solid foundation in mathematical, scientific and engineering fundamentals to solve engineering problems.
- III. To nurture students with comprehensive knowledge and skills, to design & develop electronic systems for real life problems.
- IV. To inculcate in students effective communication skills, teamwork skills, professional - ethical attitudes and cultivating ability in engineering issues through multidisciplinary domain to broader social context

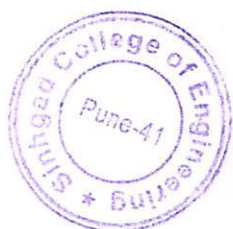

Program Outcomes

- a. Graduate gains an ability to apply knowledge of mathematics, science, and engineering.
- b. Student gets an ability to design and conduct experiments, as well as to analyze and interpret data.
- c. Graduate student gets an ability to design a system, component, or process to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, manufacturability, and sustainability.
- d. Graduate student gets an ability to function on multidisciplinary teams.
- e. Student gets an ability to identify, formulate, and solve engineering problems.
- f. Graduate student gets an understanding of professional and ethical responsibility.
- g. Graduate student gets an ability to communicate effectively.
- h. Student gets the broad education necessary to understand the impact of engineering solutions in a global, economic, environmental, and societal context
- i. Graduate student finds recognition of the need for, and an ability to engage in life-long learning.
- j. Student acquires knowledge of contemporary issues.
- k. Graduate student finds an ability to use the techniques, skills, and modern engineering tools necessary for engineering practice.
- l. Graduate gains an ability to generate, preserve and share knowledge to work as a technical expert in Electronics & Telecommunication Engineering

Parent Feedback

(Dear parent, your ward is studying at our institute. You might be getting information through media about events happening at institute. Related to such events, we are eager to know from you. As you are our one of stakeholders, your feedback is highly valuable for us.)

News/Event: Tech tonic event - I came to know about this event from my ward, it was about testing knowledge about their Tech. Know ~~ledge~~. - It helps to improve their knowledge and handle the situation.

Source:

My ward.

What kind of opportunities you see from this news/event, for your ward?

As my ward was institute head, he learned to manage event, learned about ~~about~~ ~~kind of~~ all things which are required for event running smoothly.

Are you aware about resources available at our institute to support such activities? If no, then do you want to know?

yes

Any suggestions to improve this activity at our institute?

7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

Universal Human Values & Ethics:

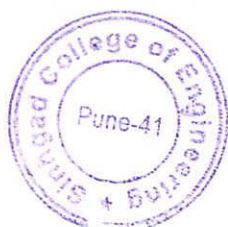

The institute imparts these principles to the students during the FE induction program. This has been practiced since the last 02 years as an AICTE initiative to promote sensitization of students towards social harmony.

Day 4: Session-II: Universal Human Values

(Activity Coordinator: Dr. Mrs. A. K. Diwan)

Mentoring takes place in the context and setting of Universal Human Values. It gets the student to explore oneself and experience the joy of learning, prepares one to stand up to peer pressure and take decisions with courage, be aware of relationships and be sensitive to others, understand the role of money in life and experience the feeling of prosperity. Need for character building has been underlined by many thinkers where universal human values provide the base.

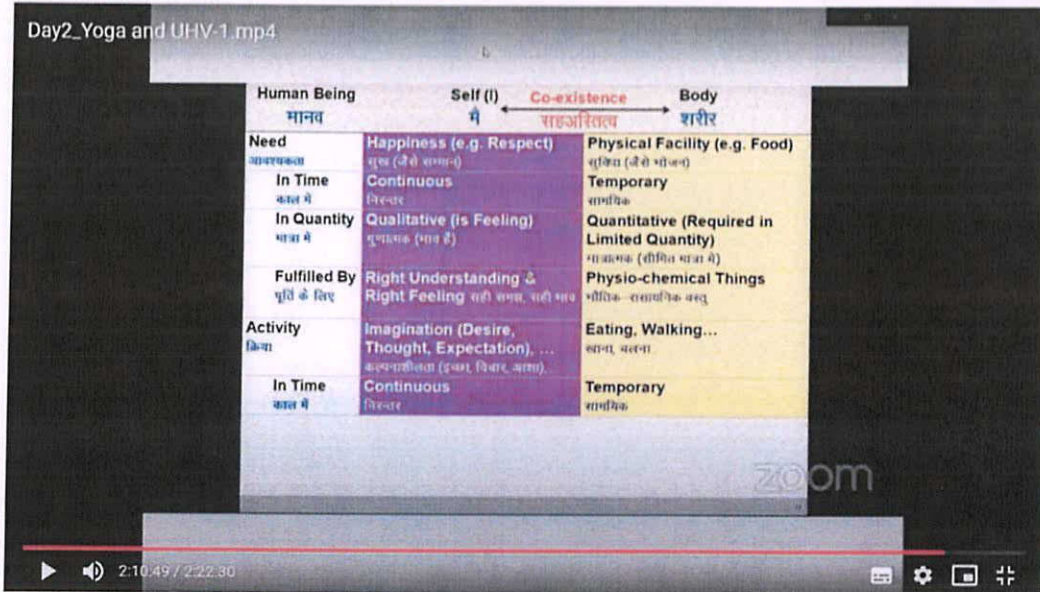

Methodology of teaching this content is extremely important. It must not be through do's and don'ts, but by getting the students to explore and think by engaging them in a dialogue. It is

(Signature)
PRINCIPAL
 Sinhgad College of Engineering
 Pune - 411 041.

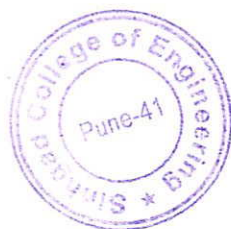

best taught through group discussions, however with clarity of thought of the teachers cannot be overemphasized. It is essential for giving exposure, guiding thoughts and realizing values.

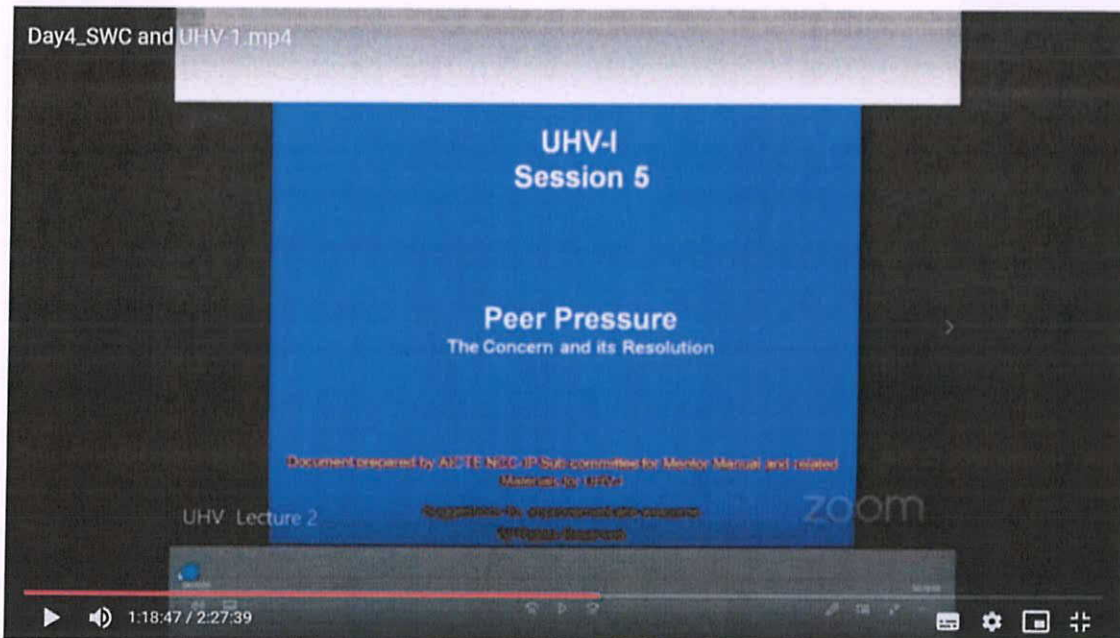

Day 6: Session-II: Universal Human Values

(Activity Coordinator: Dr. Mrs. A. K. Diwan)

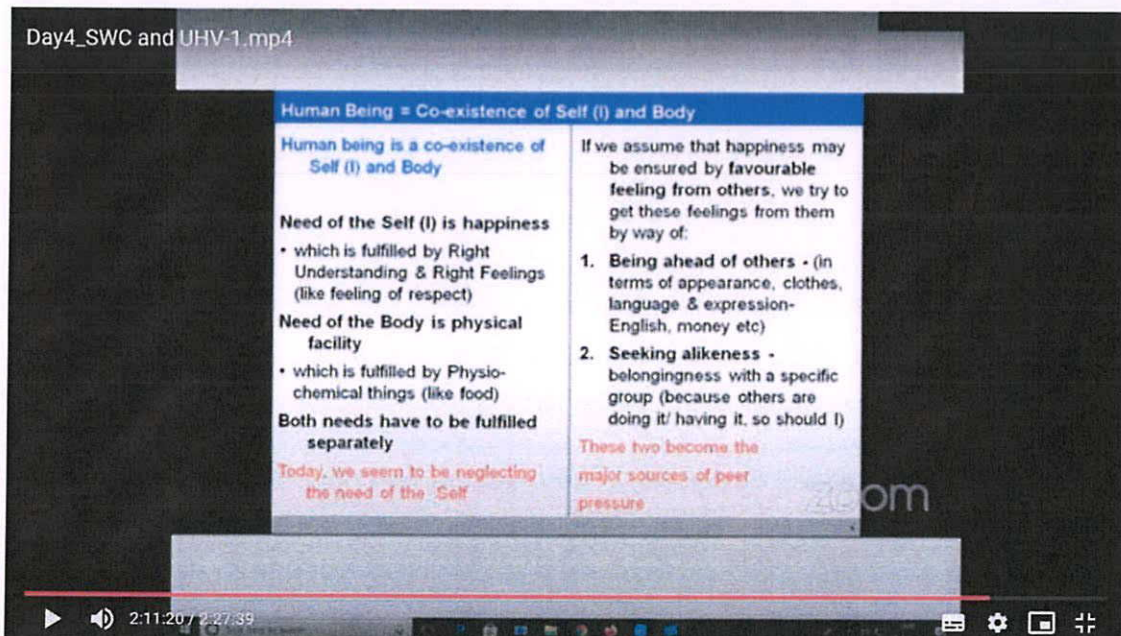

This session on Universal Human Values focused on 'Peer Pressure' overcoming which is a key to success for every professional. It was a prerecorded session referred from AICTE's UHV-I FDP conducted earlier.

PRINCIPAL
Sinhgad College of Engineering
Pune - 411 041.

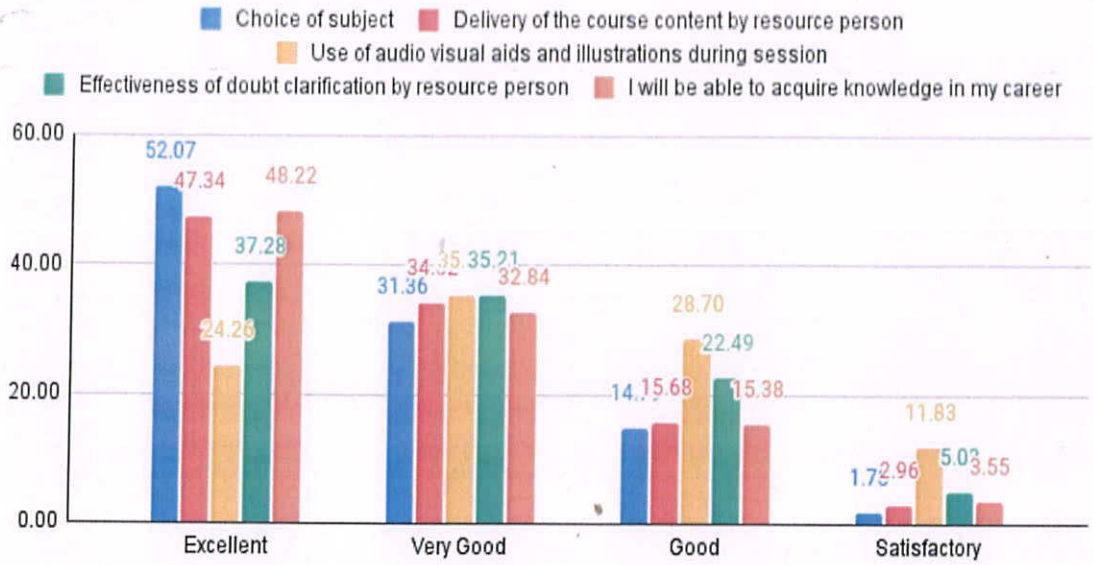

The session presenter emphasized upon every human being to be a co-existence of one's self and body. The necessity of satisfying one's self is primarily important is the major takeaway from this session.
